

CERTIFICATE OF APPRECIATION

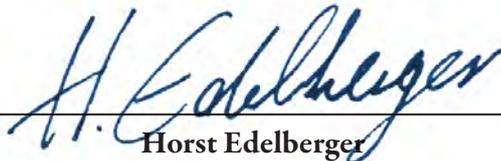

This certificate is presented to
the Investigation Team

in recognition of your successful and dedicated work.

Through your focused approach, your discretion,
and the consistent and thorough evaluation of the available facts,
you succeeded in refuting the suspicions raised against my son
and securing his release.

In doing so, you not only made a significant contribution
to the clarification of a serious incident,
but also prevented harm to my family
and to the reputation of the company Edelberger Chocolate.

For this outstanding result, I extend to you
my sincere thanks and highest appreciation.
